## § 1951.710 [Reserved]

### § 1951.711 Servicing options in lieu of liquidation or legal action to collect.

When the conditions outlined in §1951.709(b) are met, the servicing options outlined in this section will be considered.

(a) *Continuation on modified terms.* When the recipient has the legal and financial capabilities, the case will be serviced according to one of the following, as appropriate.

(1) *Unauthorized loan.* A loan for the unauthorized amount determined according to §1951.707(a) will remain accelerated per the demand letter sent in accordance with §1951.708 unless modified terms are timely reached with the recipient and accrued at the interest rate specified in the outstanding debt instrument or at the present market interest rate, whichever is greater, for the respective Community and Business program area. The loan will be amortized per a repayment schedule satisfactory to Rural Development, but in no event may the revised repayment schedule exceed a period of fifteen (15) years, the remaining term of the original loan, or the remaining useful life of the facility, whichever is shorter.

## 7 CFR Ch. XVIII (1-1-07 Edition)

(2) *Unauthorized grant.* The unauthorized grant amount determined according to §1951.707(b) will be converted to an account receivable, with interest payable at the market interest rate for the respective Community Facilities or Business and Industry Program area in effect on the date the financial assistance was provided. In all cases, the receivable will be amortized per a repayment schedule satisfactory to Rural Development, but in no event may the amortization period exceed fifteen (15) years. The recipient will be required to execute a debt instrument to evidence this receivable, and the best security position available to adequately protect Rural Development's interest during the repayment period will be taken as security.

(3) *Unauthorized subsidy benefits received.* When the recipient was eligible for the loan but should have been charged a higher interest rate than that in the debt instrument, which resulted in the receipt of unauthorized subsidy benefits, the case will be handled as follows:

(i) The recipient will be given the option to submit a written request that the interest rate be corrected to the lower of the rate for which they were eligible that was in effect at the date of loan approval or loan closing.

(ii) Any accrued unauthorized subsidy will be handled in accordance with §1951.709.

(b) *Continuation on existing terms.* When the recipient does not have the legal and/or financial capabilities for the options outlined in paragraph (a)(1), (a)(2), or (a)(3) of this section, the recipient may be allowed to continue to meet the loan obligations outlined in the existing loan instruments. Rural Development will not continue with unauthorized grants on existing terms.

### Subpart R—Rural Development Loan Servicing

SOURCE: 53 FR 30656, Aug. 15, 1988, unless otherwise noted.

#### § 1951.851 Introduction.

(a) This subpart contains regulations for servicing or liquidating loans made by the Farmers Home Administration or its successor agency under Public Law 103–354 (FmHA or its successor agency under Public Law 103–354) under the Intermediary Relending Program (IRP) to eligible IRP intermediaries and applies to ultimate recipients and other involved parties. The provisions of this subpart supersede conflicting provisions of any other subpart.

(b) This subpart also contains regulations for servicing the existing Rural Development Loan Fund (RDLF) loans previously approved and administered by the U.S. Department of Health and Human Services (HHS) under 45 CFR part 1076. This action is needed to implement the provisions of Section 1323 of the Food Security Act of 1985, Pub. L. 99–198, which provides for the transfer of the loan servicing authority for those loans from the HHS to the U.S. Department of Agriculture (USDA).

(c) The portion of this regulation pertaining to loanmaking applies to RDLF intermediaries cited in § 1951.851(b) which have RDLF funds from HHS and have not fully utilized relending of those funds to ultimate recipients at the date of these regulations. The loanmaking of all other IRP loans serviced by this regulation is in accordance with part 1948, subpart C of this chapter.

(d) These regulations do not negate contractual arrangements that were previously made by the HHS, Office of Community Services (OCS), or the intermediaries operating relending pro-

grams that have already been entered into with ultimate recipients under previous regulations.

(e) The loan program is administered by the FmHA or its successor agency under Public Law 103–354 National Office. The Director, Business and Industry Division, is the point of contact for servicing activities unless otherwise delegated by the Administrator.
